

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

August 25, 2015

CBCA 4836-RELO

In the Matter of PAMELA DEBERT MURRAY

Pamela DeBert Murray, Tamuning, Guam, Claimant.

John Masterson, Legal Counsel, Naval Facilities Engineering Command Marianas, Piti, Guam, appearing for Department of the Navy.

WALTERS, Board Judge.

ORDER

Claimant, Pamela DeBert Murray, currently is employed as a community planner with the Naval Facilities Engineering Command Marianas, based in Guam. Her claim was docketed at the Board on July 7, 2015. The Board did not receive an agency response to the claim and contacted the agency to determine whether the agency had ever issued a decision on the claim. The agency advises that it has yet to consider the claim and asks that the claim be dismissed to allow it to be processed through the agency. Under the circumstances, the matter is not ripe for our review. Rule 401 (48 CFR 6104.401(c)(2014)). Once an agency decision has been rendered, if she is not satisfied with the result, claimant may seek Board review.

Accordingly, the matter is dismissed.

Board Judge
